

REQUEST FOR INFORMATION

TO: Network #15 Facility Administrator

FROM: ESRD Network #15

RE: Determining approximate number of Spanish readers within ESRD Network #15

For a number of years, ESRD Network #15 has provided materials to our facilities and patients in Spanish. Until this time, we have made an educated guess regarding the number of Spanish-language copies needed. In order to ensure that we are adequately meeting your needs, please complete the following and return to the Network via fax. We appreciate your assistance in this matter.

Facility Number: _____

Facility Name: _____

Name of Person completing this information: _____

Contact Phone Number: _____

Number of Patients who would prefer to receive written information in Spanish: _____

Please return to ESRD Network #15 via Fax: 303-860-8392
